(the "Supplementary Material" ("SM"))	

1. STANDING TERMS AND CONDITIONS

- 1.1. The Authors hereby agree to be bound by the following terms and conditions:

2. LICENSE

- 2.1. The term "Contribution" means the article written by the Authors as identified on page one of this LTP and includes, without exception, all the following versions of the article:

- 2.1.1. Accepted Manuscript ("AM"): the version of the Contribution that has been accepted for publication. This version may include revisions resulting from peer review but may be subject to further editorial input by the Publisher.

- 2.1.2. Version of Record ("VoR"): the version of the Contribution that is formally published in the Journal. This includes any 'FirstView article' that is formally identified as being published before the compilation of a volume or issue. This does not include any 'early release article' that has not yet been fixed by processes that are still to be applied, such as copy-editing, proof corrections, layout, and typesetting. The VoR includes any corrected or enhanced VoR.

- 2.2. The term "Supplementary Material" ("SM") means any additional written or illustrative materials submitted or uploaded to the Journal by the Authors for publication in connection with the Contribution. Supplementary Material may be original content created by the Authors ("Original SM") or it may be third-party material sourced and cleared in accordance with Clause 4 below, by the Authors ("Third-party SM").

- 2.3. In consideration of publication of the Contribution, the Authors hereby grant to the Publisher:

- 2.3.1. an exclusive license to publish, reproduce, distribute, and sell the Contribution and the Original SM or any part of it in all forms and media and in all languages throughout the world, whether print, digital/electronic, whether now known or hereinafter invented, and to grant sublicences of all translation and subsidiary rights; and

- 2.3.2. an exclusive license to exploit all other rights in the nature of copyright, including rental, lending and database rights and all other publishing and print on demand rights in the Contribution and the Original SM.

- 2.4. The licenses described in Clause 2.3 above shall, throughout this LTP, be referred to collectively as the "License".

- 2.5. The License shall commence upon the Publisher's formal acceptance to publish the Contribution and shall endure for the legal term of copyright in the Contribution.

- 2.6. The Authors hereby assert their moral rights always to be identified as the Authors of the Contribution.

3. UNDERTAKINGS AND REPRESENTATIONS

- 3.1. Notwithstanding the License, the Authors agree and undertake that, at the time of execution of this LTP, and thereafter until the publication of the VoR, the Contribution or any prior version of it in whole or in part, is not currently under and will not be submitted for consideration for publication in any scholarly journal.

- 3.2. The Authors hereby undertake and represent that:

- 3.2.1. each named Author has full authority and power to agree to the terms in this LTP;

- 3.2.2. the Lead Author has full authority to execute this LTP on behalf of all Authors;

- 3.2.3. the Contribution is original and has not been previously published in whole or in part;

- 3.2.4. the Contribution and any Supplementary Material contain nothing that infringes any existing copyright or license or any other intellectual property right of any third-party;

- 3.2.5. the Contribution and any Supplementary Material contain nothing that breaches a duty of confidentiality or discloses any private or personal information of any person without that person's written consent;

- 3.2.6. all statements contained in the Contribution and any Original SM purporting to be facts are true and any formula, instruction or equivalent contained therein will not, if followed accurately, cause any injury or damage to the user;

- 3.2.7. the Contribution and any Supplementary Material do not contain any libelous or otherwise unlawful material, or any material which would harm the reputation of the Publisher;

- 3.2.8. there are no actual or apparent conflicts of interest connected to the Contribution that have not previously been declared. A conflict of interest is understood to exist if an interest (financial or otherwise) exerts or appears to exert undue influence on the analysis or conclusions in the Contribution, the choice of subject matter, or in any other way that impedes or appears to impede the Authors' objectivity or independence.

- 3.3. In the event that the Authors are in breach of any of these undertakings the Publisher shall have the right to cease making the Contribution and/or any Supplementary Material available and/or to require that the Authors make any necessary changes to the Contribution and/or any Supplementary Material (including any factual information).

4. THIRD-PARTY MATERIALS

- 4.1. The Authors further confirm that for (i) any Third-party SM and (ii) any other third-party material (including but not limited to textual, illustrative, audio and video content) within the Contribution, licenses to re-use said content throughout the world in all languages and in all forms and media have or will be obtained from the rights-holders; appropriate acknowledgement to the original source of all such materials has been made and, in the case of audio/video material, appropriate release forms have been obtained from the individual(s) whose likenesses are represented in the Contribution and/or Third-party SM, as applicable. Copies of all licenses and/or release documentation will, on request, be forwarded to the Journal's editor prior to publication of the Contribution.
- 4.2. The Authors must ensure that all third-party permission obtained under Clause 4.1 above allows third-party

material to be included in a work licensed under the Creative Commons License.

5. MISCELLANEOUS

- 5.1. The Publisher cooperates with various copyright licensing schemes which allow material to be photocopied within agreed restraints. Any proceeds received by the Publisher from such licenses, together with any proceeds resulting from sales of subsidiary rights in the Contribution, may be used by the Publisher.
- 5.2. The information contained on this form will be held for record-keeping purposes. The names of the Authors may be reproduced in the Journal and provided to print and online indexing and abstracting services and bibliographic databases.

6. ENTIRE AGREEMENT

- 6.1. This LTP is made between, and contains the entire agreement between, the Publisher and the Authors concerning the Contribution and supersedes all related prior agreements, arrangements and understandings (whether written or oral). No addition to or modification of any provision of this LTP shall be binding unless it is in writing and signed on behalf of the Publisher and the Authors.
